G240EE Martini Table Assembly Instructions

- 1) Place the Bottom Shelf w/ Casters on the floor.
- 2) Place a piece of the Black Glass w/ Felt in the top of the Bottom Shelf w/ Casters. Make sure the felt side is facing up.
- 3) Place a washer on top of the felt.
- 4) Insert the Screw through the center hole in the Bottom Shelf w/ Casters until it comes through the Washer.
- 5) Position the Post on top of the washer and insert the Screw into the bottom of the Post and tighten the Screw.
- 6) Place the Top Shelf onto the top of the Post where the screw on top of the Post goes through the hole in the Top Shelf.
- 7) Place the remaining piece of the Black Glass w/ Felt in the Top Shelf. Make sure the felt side is facing up.
- 8) Place the remaining washer on top of the felt.
- 9) Place the Finial on top of the screw and twist until tight.
