P763B Dining Table

Assembly Instructions

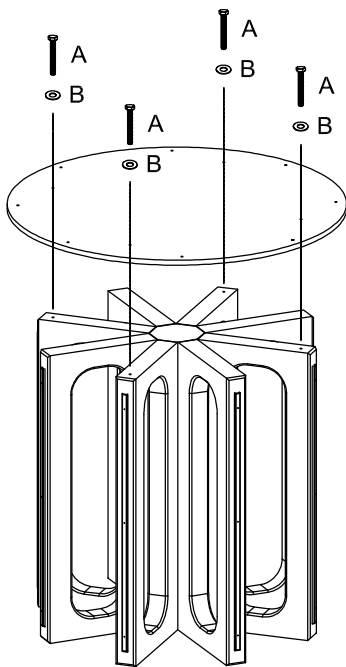

Two Person Assembly Required

HARDWARE PACKAGE

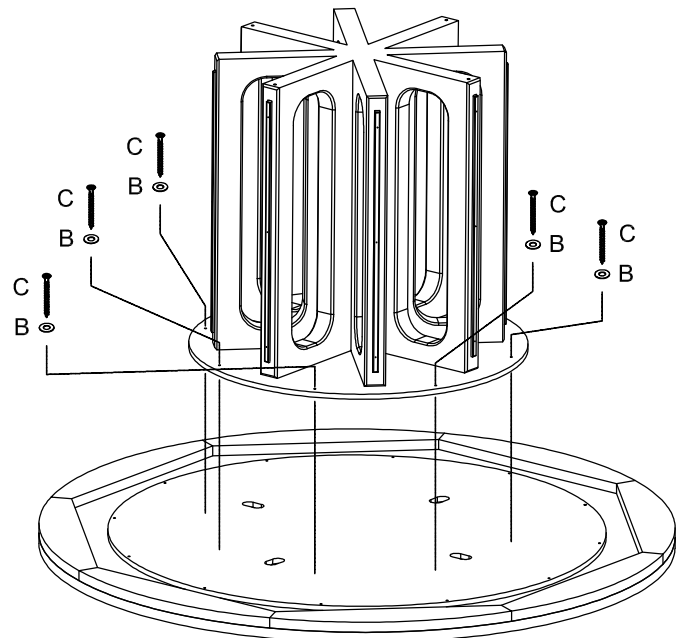

NO.	DESCRIPTION	Q'TY
A	Flange Bolt 5/16" x 2"	4
B	Flat Washer	12
C	Wood Screw #8x1-1/2"	8
D	Rubber Glass Bumpers (used instead of Bolt A for glass tops only)	4

Step 1) Flip top upside down and lay on a carpet surface or blanket. Unscrew the base bridge from the top. Set the screws and washers to the side as they will be reused later to assemble base to top.

Step 2) Using provided bolts and washers, attach the bridge (that was removed in step 1) to the base.

Step 3) With the top still laying on the carpet/blanket surface, use the provided screws and washers and screw through the holes into the bridge (note the grain direction of the top). Repeat for the other 3 screws.

Step 4) Flip table into upright position and set in desired location.
